

TIME TO CELEBRATE

40 YEARS OF ROTAX AIRCRAFT ENGINES

THANK YOU FOR YOUR LOYALTY!

1975

1985

1995

2005

2015

We invite the owner of the **oldest** active **certified** Rotax aircraft engine in operation.

Visit of BRP-Rotax factory in Gunskirchen/Austria including*:

- Travel expenses for 2 persons
- 4-star hotel for 2 nights
- Company tour
- Welcome package

How this works?

Provide following documents to the authorized Rotax Aircraft engine distributor responsible for your area:

- Copy of engine logbook (date of production, engine TSN and engine serial number have to be evident), including your individual contact data.
- Copy of the latest proof of maintenance (from 2014 or 2015).

The contest will end on December 31, 2015.
Winner will be notified in written form until February 1st, 2016.

*Expenses will be covered up to a maximum of EUR 4,000.
Void where prohibited by law. For details please ask your local distributor.
